## **Our Missionaries in Paraguay**

April 2, 2010

Dear Brethren,

I want to thank the Lord Jesus Christ for saving me and putting me into the ministry. The preaching of the Gospel is the greatest thing we can do on earth. We get saved because of the Gospel, we know God through the Gospel. Preaching the gospel is the power of God. Jesus gave every Christian a command to go into all the world and preach the Gospel.

I personally want to thank you for obeying Jesus command in supporting the ministry to Paraguay. Because of your faithful giving to the Lord we were able to start two churches and a Bible Institute. Because you gave to the Lord, Churches have been started where there is no gospel witness. Because of your faithfulness Martin was able to hear the gospel and get saved. Nelson was able to get saved and is now preaching the gospel to his own people. Catalino was able to get saved and now is a deacon. Arsenio was able to get saved, Richard was able to get saved and now received the call to preach, Isidro and his brother Saturlino was able to get saved, Blas was able to get saved, Nestor Morales was able to get saved who was a drunk and adulterer who afterward brought his family to Christ. Young men like Alan, Alfredo, Juan, Rolando, Nicolas, Marcos, Manuel, Rodrigo, Jose Maria and Samuel who heard the gospel and got saved, many of them were on the streets slaves to drugs and alcohol. Many families like Jorge and Patricia, Eliseo and Elvira, Arsidés and Viola, Julian and Dalia, Daniel and Daisy were able to get saved because you gave unto the Lord! Thank you for your obedience and love for the Gospel!

Many souls are being saved in Paraguay. Our goal for 2010 is a minimum of 10 families for Christ in the year 2010. Even if one soul gets saved it would be glorious. The Lord has given us 3 families so far, not including many single young men and women who have come to Christ. We have been baptizing men and women every Sunday for the past couple of weeks. I praise God for this!!!

I am really excited to see what God is going to do with our men at the Bible institute. Many are showing a desire to preach God's Word to their people. Missionary Manny Rodriguez to Puerto Rico and his family are here with us for 3 months. They are here to learn the Spanish language before going to Puerto Rico. He has been preaching at church and teaching at the Bible Institute. He led a young man to the Lord. His name is Fidel. Please pray he grows in the grace of the Lord!

Paraguay is wide open to the gospel. There is so much work to be done. We could potentially start a church in every city. Pray that God would raise up more Bible believing missionaries to Paraguay.
